New Business:

- Dues: Due Sept. 15. \$129. Money to Laurie, Treasurer-Elect.
- BookSmiles: Bin is at Point Boro Recycling Center. Open to Boro residents only. Drop any books, just no encyclopedias. Please tell others! Page on our site has deets. Next location: Wall once Cristina sets up meeting. Once project is firmed up, Cheryl takes over as PP. Kristen may ask Brick Kiwanis who just did free library to have another bin for Larry to stop to collect from.
- Camp Kiwanis July 20 9:30 a.m.-12:30 p.m. All families asked to bring laundry detergent for various homeless youth facilities. Volunteer schedule's out. Packing bags after meeting.
- August Bring-a-Friend Social: Wednesday, Aug. 21, 6:30-8 p.m. SheShed, PP Madelyn. Making birthday kits for Project Stepping Stone, Harbor House, Boys and Girls Club, and Ocean Partnership for Children. We will be adding can of sprite to use in lieu of eggs and oil and making banners at event. This will be our main recruiting event for the fall and if we invite people we know could be a good fit; we are sharing this common cause of helping children.

We are looking for people to create boxes to collect donations of cake, frosting and candles at local places. [Flyer avail](#) so members can print and put out boxes and solicit donations with everything collected by 8/9 so we know what we need to buy. (K-Kids have bins at Divi Tree Coffee Pt. Boro, Bill SCott BJJ Shore Academy Pt. Boro, Dunkin Donuts Pt Beach, Brookside School Sea Girt, Legacy Gymnastics, Toms River, Federico's, Belmar, and Jimmy's Cucina, Brielle--don't put boxes there). [This is the](#)

[graphic to share with a friend](#), don't publish online. This is an invite-only event, not open to the public.

- Pointsgiving: Saturday, Nov. 2 from 1-4 p.m. Save the date to volunteer. Laurie is now PP for entire event--thank you for stepping up. [Send recommendations for local organizations](#) to Madelyn in spreadsheet. Planning starts right after camp. Seeking person to run club's service project at the event. For next year we are considering moving to indoor location to avoid worrying about weather and having participants bring tents just in case. Last year we had club project of making sandwiches for Blessing Bag and at event we packed bags for them. Any ideas for club project we can do this year? Blessing Bag contact knows organization where person will bring diapers and we will pack and can also collect that day. Ann to let Kristen know what want for district project for that day.
- Coupon Book fundraiser: Email PP Cristina if you're dedicated to helping businesses. Members: [Add businesses to spreadsheet](#) you think would be a good fit from the entire area--just no Brick businesses as not to conflict with their club. She will give us flyers at August meeting to start promoting.
