Name: _____ ()

Class: P1 _____

What you need to do:

1. Choose a wild animal.
0. Find out about the animal. Use the **Research Template** to guide you in your research. This will help you to share about the animal.
0. Prepare an animal craft at home after the Art teacher has shared about this. It can be
 - a DIY animal craft OR
 - a drawing
4. Bring the craft along for your Show-and-Tell.
5. Practise sharing about the animal at home a few times until you are confident.

What makes an awesome Show and Tell?

You should be able to:

- Give 5 or more sentences.
- Speak clearly and fluently.
- Always look at your friends.

You may use the rubric below to check your Show-and-Tell.

<u>Content</u>	Need improvement 	Getting there!  	You got it!   
	Gives 1 to 2 sentences	Gives 3 to 4 sentences	Gives 5 or more sentences
<u>Clarity of Expression</u>	Speaks unclearly and slowly with awkward pauses	Speaks unclearly at times with a few awkward pauses	Speaks clearly and fluently
<u>Confidence</u>	Does not look at my friends	Looks at my friends sometimes	Always looks at my friends

See-Think-Wonder

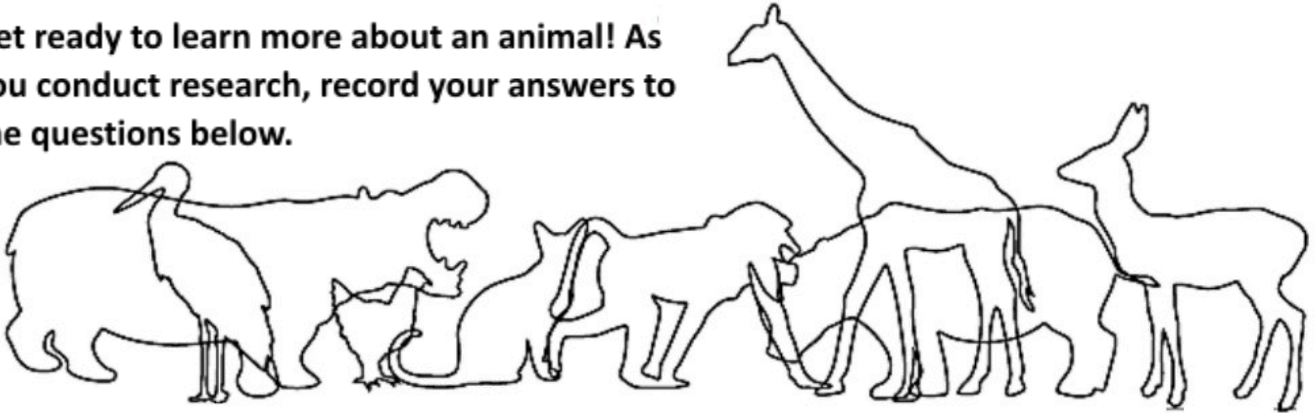

See - Observe your chosen favourite animal and tell us: Example: 1. I see that pandas are black and white.	Think - Observe your chosen favourite animal and tell us: Example: 1. I think pandas are cute.	Wonder - Observe your chosen favourite animal and tell us: Example: 1. I wonder how does a panda cub look like?

* Research on one of your wonders and answer question 5.

My Research Template

Find out more about the animal!
