

Strong Foundation Implementation Providers for LASO 3

Bid Scoring Rubric

1. Technical Capability (4 Points)

- **4 Points:** Exceptional technical capability with clear evidence of meeting or exceeding project requirements. Demonstrates advanced understanding and ability to deliver complex solutions effectively.
- **3 Points:** Strong technical capability with evidence of meeting project requirements. Can deliver the solution effectively with some minor issues or limitations.
- **2 Points:** Adequate technical capability but with some noticeable gaps or concerns in meeting project requirements. May require additional support or adjustments.
- **1 Point:** Limited technical capability. Does not meet key project requirements and will likely face significant challenges in delivering the solution.

2. Proximity to Zip Code 78724 (3 Points)

- **3 Points:** Located within 10 miles of zip code 78724, ensuring fast response times, cost savings, and local knowledge.
- **2 Points:** Located between 10 to 25 miles of zip code 78724. Potential for moderate response times and slightly higher travel costs.
- **1 Point:** Located over 25 miles from zip code 78724. Likely to face higher travel costs, delays, and logistical challenges.

3. Past Performance (3 Points)

- **3 Points:** Exceptional track record with multiple projects successfully completed, relevant to the current bid, and excellent client feedback or references.
- **2 Points:** Good past performance with some relevant projects completed. Client feedback is generally positive, though there may be minor concerns or areas for improvement.
- **1 Point:** Limited or no relevant past performance. History of unsatisfactory project completion, or limited client feedback available.

4. Completeness and Accuracy (1 point)

- **0 Points:** Bid contains errors or inaccurate information
 - **1 Point:** Bid is accurate and error free
-

Total Possible Points: 11

- **9-11 Points:** Excellent Bid
- **6-8 Points:** Good Bid
- **4-5 Points:** Acceptable Bid
- **1-3 Points:** Weak Bid

Tie Breaker:

5. Vendor worked with SF Planning with Eureka Math (+ 1)
6. Vendor worked with TCLAS Decision 6 (+1)

Please note: Cost is not a consideration in the scoring of bids because the fee will be the same for any provider. The cost is set by the LASO 3 grant at 50% of the grant award (\$100,00 in the case of ADS as we were awarded \$200,000).
