> Law Violates: Cyber Violence > Cyber Stalking

Context:

This user is unlawfully disseminating someone's private location information (their home address and other snapshots of their live location), stalking them, and live streaming outside their private property without permission, exposing their location, home address and house to millions of people without consent. This user continues posting such content, violating X exposing private information policy and EU laws. They are also evading a prior X suspension for stalking this person. Suspend immediately.
