

Course requests in Aeries are due on March 31.

*****NEW*** - Dual Enrollment (see ppt)**

Every student has to be enrolled into at least five classes. Study Hall does not count as a class.

1. Log into your Aeries account.
2. Click on “Classes” and then “Course Requests Entry”.
3. Look to the right and find “Filter Courses – Sbj Area”.
4. Click on each individual subject and then click search. The classes available to you in each specific subject areas are now being displayed.
5. Click on the class that you would like to take next year and request it as primary.
6. Repeat the same process for each subject area.
 - a. If you completed your PE requirement, you don’t have to request PE.
 - b. You can check your graduation status and view credits completed/needed under Grades/Graduation Status. **Note:** Foreign Language and Art are grouped into one category. You need 1 year of Art and 2 years of Spanish to graduate.
7. **Do not request more than 6 classes as primary.** You can add/request additional classes as alternate.

AP/Honors Classes: If you request AP classes, you must also complete this contract.
