## **Africa Research Paper Outline**

Leave the bold headings as they are; complete the rest of the sections using your own research, analysis and conclusions. Type your information in regular font (not bold). Note that for each paragraph, you may have more than three pieces of specific evidence, so add more lines as needed. Do not go beyond four pieces of specific evidence per paragraph. The outline below is the min. required amount. Be sure to include the Annotated Works Cited. Upload your completed Outline and Annotated Works Cited to Turnitin via Schoology BEFORE class time **Tuesday, October 9, 2018.**

### ***I. Intro***

**A. Introduce the issue**

**B. Give an overview of the causes of the issue**

**C. Thesis (problem + solution + so what/why/because)**

### ***II. Current Status --***

**A. Topic Sentence- (topic+opinion +so what/why/bc) *What is currently happening with the issue? Why?***

**B. General Evidence**

**1. Specific Evidence (citation)**

**2. Analysis**

**C. General Evidence**

**1. Specific Evidence (citation)**

**2. Analysis**

**D. General Evidence**

**1. Specific Evidence (citation)**

**2. Analysis**

- E. Conclusion about the current status, and transition to the causes/roots of the issue

**III. *History/Root of the problem***

- A. Topic Sentence-- (topic+opinion + so what/why/bc) *What caused the issue? Why?*

- B. General Evidence

- 1. Specific Evidence (citation)
  - 2. Analysis

- C. General Evidence

- 1. Specific Evidence (citation)
  - 2. Analysis

- D. General Evidence

- 1. Specific Evidence (citation)
  - 2. Analysis

- E. Conclusion about the history, and transition to best possible solution

**IV. *Best Solution (BASED ON RESEARCH!)***

- A. Topic Sentence -- (topic+opinion + so what/why/bc) *What is the best possible solution? Why?*

- B. General Evidence

- 1. Specific Evidence (citation)
  - 2. Analysis

- C. General Evidence

- 1. Specific Evidence (citation)
  - 2. Analysis

- D. General Evidence

- 1. Specific Evidence (citation)
  - 2. Analysis

**E. Summary of the solution**

***V. Conclusion***

**A. Review of the problem**

**1.history and current status**

**B. Review of the solution and why**
