Cyrano de Bergerac Mini Research (in teams):

Pick a topic and a partner; both should know all of the information that both find and both partners should have access to the equal work shared. Each topic should have a visual for us to get a sense of your topic. This is a short and informative project to help set the scene for the play; hence try to find the connection in the play.*

Topic	Student/Partner
Louis XIV- who is he?, nickname, portraits etc.	
Social hierarchy characteristics of 17th century France & political influence
