

YEF Survey

Please email your answers to: eamonn@tenentrepreneurs.org

1. Tell us a little bit about yourself – what's your...?
 - a. First name
 - b. Last name
 - c. Email
2. What's your date of birth?
3. What are you working on building? *This might be a company, organisation or other kind of venture that you've started, or are about to start. Or, you might be in school or at university but have plans to do something after graduation.*
4. What do you think are the main advantages Britain offers to entrepreneurs? *In other words, what about Britain makes it a good place to build in?*
5. What do you think are the main disadvantages Britain offers entrepreneurs? *In other words, what about Britain makes it a bad place to build in?*
6. Looking further afield, are you aware of things other countries do differently that might be worth Britain learning from in order to support entrepreneurship?
7. Thinking back, how has life as an entrepreneur changed since you first started out?
8. Wrapping up, is there anything else you'd like to tell us about with regards to entrepreneurship in Britain today?
9. Thanks for taking the time to respond to our survey – we're looking forward to reading what you have to say.

Are you happy for us to follow up with you if there's anything else we'd like to ask you about?
