Fran's Sewing Circle Class Supply list

All supplies are available at Fran's Sewing Circle at a 15% discount, unless specifically noted. We also have an extensive sale section with fabrics from \$5.99 - \$8.99/yd.

Basic Sewing 101

We will complete a pair of elasticized PJ pants with pockets, along with a coordinating collared PJ shirt with button holes. This is a six week class that builds onto your basic sewing skills. You will learn how to read a pattern and become self-sufficient to work on your own projects. Carolyn PJ pattern is provided free with the class. Other supply costs are not included.

Project supplies will need to be purchased before the first week of class**. You will receive a 15% discount on any supplies for the class purchased in the store.

**The approximated cost of supplies needed for this class will be around \$80 with the 15% class discount

You are welcome to bring your own sewing machine in working condition with a button hole stitch, or use one of our Singer classroom machines.

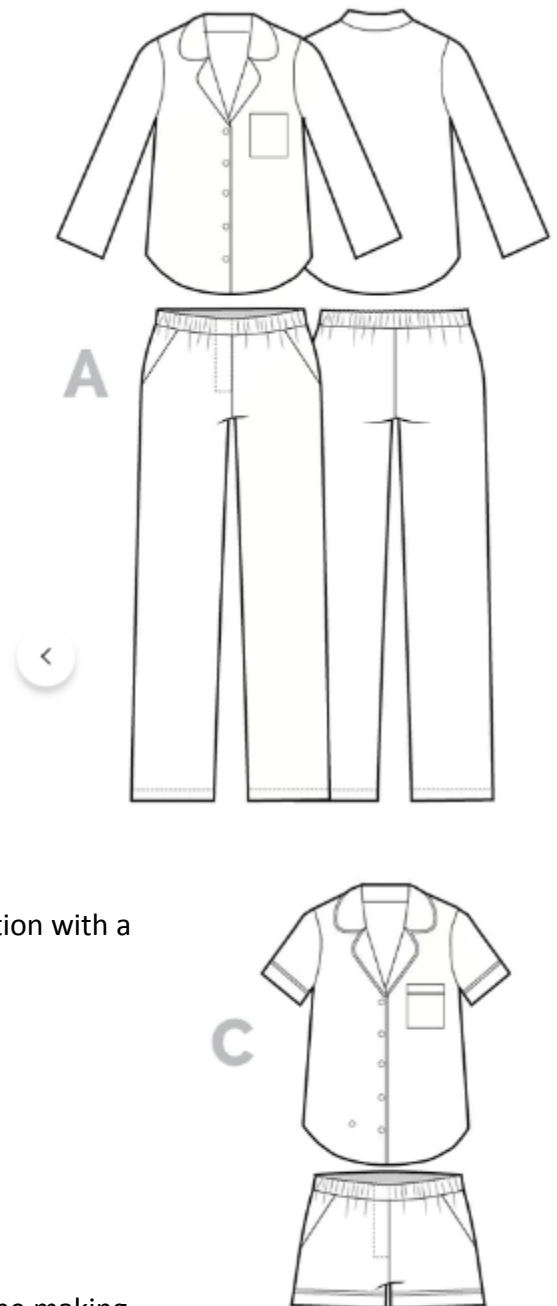

Carolyn Pajamas (pattern supplied before or during class)

We will be making View A with no piping

Project Supplies needed:

Choose from quilting cotton fabric

- Fabric yardage required for the View and pattern size you will be making. Please come into the shop for assistance with this.
- Shape Flex (Pellon SF101) 1 yd
- matching thread
- 1.5 inch wide elastic 2 yds (or go by waist measurement)
- 5-6 matching buttons for shirt front

Pre - class preparation:

Wash and dry your fabric. Iron flat if you have access to an iron, otherwise wait until class. All cutting and sewing will take place during class time. You may bring your own sewing machine with a buttonhole function (in working order) or use one of our classroom machines.

You will have access to our basic classroom supplies such as pins, fabric scissors, rulers, etc. However we suggest purchasing your own supplies when possible. You will find a list of basic sewing supplies on the following page.

Basic Sewing Supplies:

Pins

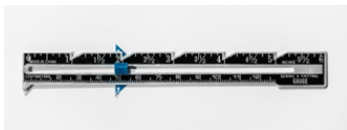

Fabric Scissors

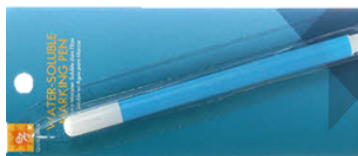

Ruler or tape measure

Seam Gauge

Water soluble marking pen

Seam ripper
