

**Orbis Cascade Alliance
Board Recommendation for Council Endorsement**

[Recommendation Title]

Recommended Action:

Council Action Required:

- Consultative Feedback Endorsement Requested

Background:

Rationale:

Outcome of Decisions regarding Recommended Action:

1. **Council endorsement of proposed action** - Board will take final action on decision
2. **Council endorsement of proposed action with reservations or comments** - Board will consider Council reservations or comments before taking final action and may propose adjustments to the recommendation, as warranted.
3. **Council does not endorse proposed action** - Board will consider Council reservations or comments and may withdraw the recommendation for further discussion and refinement; the Board may vote to approve a recommendation without Council endorsement when such an action is determined to be in the best interest of the corporation (fiduciary responsibility of the Board).

[Customize as needed for specific recommendations]

Consultation:

The following people have been involved in the preparation of this recommendation:

Alliance Board
Kim Armstrong, Executive Director

Questions for Council:

- 1.
