

***Visceral Dance Center's Youth Program provides a place for students to engage in high quality training in an environment which promotes diversity, equity and inclusion while providing a challenging and positive learning environment.***

***Students are encouraged to grow not only as dancers, but also as individuals.***

## **GENERAL POLICIES**

**Tuition and costume fees are non-refundable.**

**All monthly tuition payments will be charged on the 1st of the month using the bank account or credit/debit card on file.** Final payment for the 2025-26 season will be charged on May 1, 2026. There is a processing fee for all credit/debit cards.

**Any student withdrawing from a class before the end of the session will be charged a \$50 withdrawal fee per class. All withdrawal should be emailed to [kcox@visceraldance.com](mailto:kcox@visceraldance.com)**

All students are placed according to age and previous training. During the first weeks of classes, faculty may suggest a different level. Ages listed are to be used as a guideline and are not definitive.

Visceral reserves the right to cancel any classes with less than 5 students.

Students should arrive to class on time. If a student arrives late, they should wait at the studio door for the teacher to acknowledge and invite them into class.

Visceral administration and faculty appreciates advance notice of necessary absences. You can log your absences through Dance Studio Pro. Students are expected to make up the classes they miss at or below their level.

Make-up classes will not be allowed after April 1, 2026 as classes will be preparing for their recital pieces and additional students would be disruptive to the process.

No food or beverages (except water) allowed in the studios.

## **Recital Policies**

- Each class (unless noted as a non-performance class) will perform in the Year-end Recital. **Please notify us by November 14 if you are not wanting to participate in the recital.**

- **On March 15, 2026 all participating recital students will be charged a \$75 production fee or \$100 per family.** This fee includes in-studio rehearsal, theater rehearsal and a digital download of each performance.
- Visceral strongly encourages consistent attendance leading up to the Year-end Recital to ensure your student is as prepared as they can be for their performance.

- **Dancers are expected to attend all classes.** Any dancer who misses more than six (6) classes throughout the season, may be asked to sit out of the Year-end Recital.
