On the next few pages, we have listed our **agenda** of events and as well as some **vital information about the hotel, yachting, and mastermind dining**, that will help you experience the best of what's possible here at the Fontainebleau!

[Download These Apps For UCAM](#)

In preparation for UCAM in a couple days, here are some apps you'll want to download to your phone ASAP, if you don't already have them.

Facebook
Instagram
TikTok
YouTube
LinkedIn
Telegram
Twitter

NextDoor
Waze

You'll also want to complete the bio section on each of the apps, so your profile looks professional.

Just add your name, website, and a short blurb. Nothing too fancy.

This won't take you long at all. We plan on walking you through a few of these apps, so you'll want to be able to have access before Friday.

On Saturday afternoon, we've arranged for 2 yachts to cruise the Miami coast for 4 hours. 2 tickets are still available. Food and drinks will be supplied. You can see one of our team members for that ticket or grab one of the last tickets here.

Attire

We are presenting in the “**Splash Room**” at The Fontainebleau

This is a really laid-back seminar, so shorts, flip-flops and t-shirts are good with us.

Remember, we’re here for a good time as well.

You may want a light jacket or sweater, as the rooms can get cool. We do recommend formal attire for the restaurants, so collared shirts and pants for the guys. No open sandals in the restaurants...except for the Bolivar Club, where shorts, shirts and sandals are acceptable/

Bring your bathing suit and a towel for the excursions.

We request that you bring your laptops, as we will be working on the internet during the seminars.

We will be providing you with our power points so you can download these onto your laptops and follow along!

***Please respect our wishes that no recording of the event is allowed
