Lesson Sequence <i>*Hook Whole Gr Modeling Guided Small Gr Indep. Centers *Closure</i>	Establish classroom procedures (specifically math centers and what is expected when working in small groups) What's New in Our Centers? Provide students with new language and literacy activities as well as books for all centers. Allow students to work in centers for the specified time, and practice the routines: What am I expected to do when I am working in centers? What does it look like when it is time to go to a different center? How do we pick up our workspace for the next group of students? What do I do when I finish my work, but it is not time to go to the next center?
