Dry Cleaners (updated December 2025)

12/19/25 - **Reliable Cleaners,** 8736 Flower Ave., 301-585-2220. “Items are always ready before they say they will be. Fair pricing and I love that I get a text when my items are ready.” (Lisa on Garwood)“They do a thorough job. I don't know how their prices compare. Turnaround times are often several days, as they are pretty busy. They have a system to notify you by text when your clothes are done, but it doesn't work consistently.” (Mark on Normandy). “Been there for decades, used them for decades. Always good. (Tony on Indian Spring). “Another vote for Reliable.” (Michele on Normandy)

7/22/25 - **Drycleaners Direct** at Georgia and Dale. “Used them for years but their prices keep going up. Wondered if anyone else was less expensive!” (Kim on Franklin)

7/22/25 - **Metro Valet Cleaners, https://metro-valet-cleaners.edan.io. “**We've been going to Metro Valet Cleaners for years. They are near the Silver Spring Metro station. They do great cleaning as well as great tailoring. We highly recommend them!” (Leslie on Evergreen)
