

Rosco, a very athletic and built 30-year-old bull, and Chris, a pudgy and fun-loving tanuki were both on their way to Rosco's place after having a fun night out on a wonderful date.

"Thank you for the fun night out, Rosco. You pulled out all the stops for that first date~ You probably wanna go relax so I'll go ahead and make my way home." Chris said as he was getting ready to turn around and take a walk back to his home.

"Hold on, Chris. It's quite late right now, isn't it? Come spend the night at my place and I'll take you home before it becomes nighttime again tomorrow, does that sound cool to you?" Rosco said as he showed a soft smile to his tanuki partner.

"Yeah it is kinda late, isn't it? Awwww what the hell, I'll stay for the night. I'll make us some breakfast in the morning too." Chris turned around and hugged the big, beefy bull.

"Then come on in~ I'll make sure it's a delightful night for you~" The two then head inside Rosco's place, taking off their shoes and then heading towards Rosco's bedroom.

The two of them then remove their clothes and relax in bed with one another and turn on the TV to watch some retro shows that they loved watching growing up.

While they lay next to each other while enjoying their show, Chris decided to be a bit lewd and rub at the bulge showing in his underwear, Rosco's cock starting to grow and throb in his underwear.

"I see someone's getting a little handsy~ Does my adorable tanuki want big bull daddy's meat?" Rosco rubs Chris' head and gives off a horny smirk as his cock throbs a lot in the tanuki's grabby hands.

"You know it~ Can't help but want to sample the goods for myself, I can feel my mouth watering like it's gonna let out a waterfall~" Chris then gripped Rosco's underwear and pulled them down, seeing the bull's thick and throbbing cock right in front of his face, just asking for the tanuki to stuff it into his mouth and get a good taste for it.

"Well go ahead and get it in that mouth of yours, you look like you're quite hungry for it from what I can see~"

"Don't mind if I do, babe~" Chris then puts the thick bull cock and starts tending to the tip of his cock, Rosco letting out some drops of precum onto the hungry tanuki's tongue. Chris giving the bull a lot of attention from just the tip alone.

"Oh fuck, you weren't kidding when you said you couldn't help it, can feel your want for this right from the get go~" Chris then moans and starts getting the cock further into his mouth and gets his tongue to start tending to the rest, his paws then start to feel up and worship the bull's huge balls. Almost feeling like he's holding oranges in the palm of his paws. Giving a few good rubs

for a few minutes and slowly going up and down on Rosco's cock, Rosco rubbed at the tanuki's head and thrust into his throat slightly. Chris tries to avoid gagging a bit as he tries to make sure Rosco's cock doesn't go too far down. Rosco then thinks about wanting to experiment with something after having Chris suck him off for a good while at this point.

"Hey Chris, there's something I actually wanna try out if you're up for humoring me a bit."

Rosco has a slightly nervous look on his face as he rubs his chin and looks at Chris while waiting for a response.

Chris then stops giving a blowjob and answers, "Sure, what were you thinking about trying?" He says as he looks up toward the big bull.

"I know I like being a top most of the time but I kinda wanted to try out being a bottom and see how it feels if you could help me out with that and all."

Chris takes notice of what Rosco wants to do and gets excited about wanting to help him explore his bottoming side.

"Of course, I'll help you out! I guess if you wanna get a good start on wanting to do some bottoming, How about you lay on your stomach so your ass is facing towards me. Gotta get some prep work done on you first before we really get into it, you know?"

"As long as you know what you're doing, I trust you, Chris."

Rosco took Chris' advice and laid on his stomach, his plump ass facing towards his tanuki partner. Chris then massages the bull's big ass as he huffs from how huge it feels in his hands, The tanuki then spreads out the bull's asscheeks and then starts to rim Rosco. Rosco starts letting out moos as he wasn't expecting Chris' tongue to feel as good as it did. Chris kept lapping at the bull's hole for a few minutes until he started to get his tongue to go inside and really get it slippery and slightly loose for later.

"Oh fuck Chris, You know what you're doing~ I can feel you getting to a sweet spot~" The bull moaned as the tanuki did end up reaching the sweet spot with his tongue, Rosco mooing and moaning as Chris kept prepping him, getting the bull's hole wet for a good bit until he felt he was ready to give him his first good dicking.

"Alright Rosco, I think you're ready for the real thing. You ready?"

"Mmmmmmm~ Ready as I'll ever be~ Think you prepped me good enough~"

"Ok then, let's get started~"

Chris then positions his cock towards Rosco's hole and then starts to plow his hole good, Rosco in bliss as he didn't expect his first time bottoming to feel like he's on cloud nine. His ass bounced with each thrust Chris did to him and made him precum like crazy as Chris started to hit Rosco's sweet spot again.

"Oh fuck~ Oh fuck~ Just like that, give it to me please~" Rosco gripped onto the bed as Chris kept plowing away at him, Chris started to pick up the pace and hugs onto the bull's frame as the tanuki started precumming himself within the bull's lubed up hole. Chris and Rosco letting out huffs seconds between each other as their bodies build up a lot of sweat. Rosco feels his cock throbbing a ton as it starting to signal he's getting ready to blow soon. The bull gripping the bed even harder than before.

"Fuuuuck~ Chris~ I think I'm gonna blow soon, what about you?"

"I'm getting there too, Gonna make sure I make your hole look like an artistic masterpiece when I'm finished."

Chris starts to slam into the bull as hard as he can, Rosco getting to his tipping point as those strong slams sent his cock over the edge, letting out a geyser of cum onto the bed.

"OH FUCK! IM CUMMING!"

Chris then did the same as he couldn't hold on much longer either.

"ME TOO ROSCO! TAKE MY WHOLE LOAD!"

Chris unloaded a wave of cum inside of Rosco, fully laying down on Rosco afterward as he felt spent and tired from it. Rosco also feeling spent from the experience too.

"Damn, for a first time that felt so good~ I might bottom a bit more if it feels that good~"

"Glad you loved your first bottoming experience, babe~ But holy shit, im feeling tired after all that. Wanna go ahead and turn in so we can have breakfast in the morning?"

"Yeah let's do that, I'll wash the sheets in the morning while you cook~"

And so the passionate night between two evergreen lovers comes to a close as their relationship blossoms even more.
