---

## 1. Data Collection

This Chrome extension does not collect, store, use, or transmit any personal or non-personal user data.

---

## 2. Purpose

The extension only applies visual styling changes to YouTube pages locally within the user's browser to provide a pink kawaii theme experience.

---

## 3. Data Sharing

No user data is accessed, tracked, shared, or sold to any third parties.

---

## 4. Tracking & Analytics

The extension does not use analytics tools, advertising trackers, or any form of background data collection.

---

## 5. Local Processing

All changes are applied locally and remain on the user's device.
