Love Potion Incident

Door creaking open. Hey, I know you didn't want to be interrupted or anything but **Footsteps incoming.** you've been cooped up in here for days now, I thought you'd at least be hungry. I hope you don't mind. **Thud against something.** It's pretty dark in here, can I turn the lights on? Great, here. **Footsteps.** I made you your favorite. You know, you never did tell me what you were working on.

Laugh? I won't laugh at you, but now I'm even more curious. **Shuffling.** Come on, what's in that tube? Huh? A lust potion.. Oh so like a love potion? Like...it'll make you want to...do it kind o potion? Wait, really, that's so fucking cool! You haven't tested it yet? That's okay, we all have to start somewhere. **Laughter.** Well, I wonder how you're gonna get someone to volunteer for that.

Oh...wait, you're done making it, can I see it! **Shuffling.** It looks so cool, I love the shade of pink it looks really cute. Can I hold it up? I'll be careful, don't worry you can trust me. Woah, is it supposed to...glow like that? Huh? Oh, I can see why you had the lights off now, huh? Wait, I wanna see it in the dark. **Footsteps receding.** That's just...woah. That's...that's kind of freaky, how do you even get it to do that? That's so cool.

Mmm I'm so proud of you. You've come such a long way sweetie. What would the lighting look like on the balcony out in the light? **Sliding door opens and footsteps.** Oooo it's so pretty it's so shiny. You know what would be so cute, maybe marketing this as a set for couples as well. With matching charm necklaces with the potion inside the charms... Ooo a candle would be nice as well. Sorry for babbling hehe...

Footsteps incoming Of course I'm glad to help any way I can.. Just let me know if you have anything I can help with, alright? I'll just put this back and...**Glass shattering** Oh shit, I'm so sorry. I didn't see the table and...**Thud** damn, I'm so sorry. Huh? Me? I'm fine.. a lot just spilled on me. I don't think I got cut anywhere. Haha I hope the neighbors don't think that we are arguing haha.. **Thud** Oh gosh.. Haha yea I'm okay.. Th- this feels like more of a drug than a potion haha it- it's working really fast..

You don't have to...have to feel so worried. Fine, here, see? I'm fine, the glass didn't cut me anywhere. Hey, be careful it's a little slipp- **Louder thud**. Ow. Slippery I meant.. Okay, that one...that one really hurt. Looks like I fell on top of you, sorry about that, **Wiping**. I- I'm so sorry I got a lot on you too... I'm always messing things up. **Shuffling**.
