

Stillwater / Sweet Grass Special Services Cooperative Newsletter January 2025

Braille

Welcoming the new year includes Braille month in honor of Louis Braille, inventor of the Braille system. The Braille system gives people who are blind or visually impaired access to written words. Visit the Braille day site.

Restraint/Seclusion

The U.S Department of Education issued guidance earlier this month regarding restraint and seclusion in schools to encourage children to have safe and supportive learning environments.

New OPI Superintendent

Welcome the newly elected Superintendent of Public Instruction, Susie Hedalen. Susan was administered the oath this month and participated in the inauguration ceremony in Helena with other elected Montana officials.
