

🌸♥️🌸 FERN FLOWER'S TERMS OF SERVICE 🌸♥️🌸

Hello everybody! Thank you for stepping by! I'm really happy you've decided to order artwork from me. Here are a few rules you need to accept before you gonna place order. It's a very important thing and by commissioning me you confirming that you readed my T.O.S and you're okay with those rules.

Please be aware that at this moment I'm not sending art to the customer if they're not a badge.

☐ ❀ 🌸 ⤵ SHIPPING COSTS ⤵ 🌸 ❀ ☐

UK -\$ 5.00 - comes with a tracking number

US and CANADA - 15\$

EUROPE - 10\$

I'm not shipping art atm. Need to get opinions from other furry artist on best ways to protect your art and make sure it gonna come to you in the proper time manner and don't get lost by the post service!

❓❀❀🐾How and what to order? 🐾❀❀☐

❀🐾 Feel free to ask about commission! Most of the time you gonna see three little spots on my profile page called **ART STATUS**. Please check here If I'm open for commissions, art trades and requests before writing your question! Even If my regular commissions are closed I may open YCHS. **THAT DOESNT MEAN ALL MY COMMISSIONS ARE OPEN**

❀🐾 If you want a commission, but didn't grabbed a slot, I can add you in my Waiting-list. When I'll done current commissions, I'll start to work on your commission respectively queue in Waiting-list. You can find actual Waiting-list in my [TRELLO](#)

❀🐾 I'm stil working on the anatomy and art style but prefer to do not draw any VERY complex equipment. Yes ofc I can give It a try but I may dissappoint you and we don't want It right?

❀🐾 A good ref sheet is crucial if you want me to draw your character accurately. I generally prefer a professional ref sheet but if all you have are a few images, those will work too, provided they are full color and all necessary markings can be seen. If you have a written description only, I

may still cut you some slack and draw for you anyway, but in return your character better be *really* simple, otherwise you don't get to complain if I don't get everything exactly 100% perfect!

🌸 Please keep in mind that I'm SFW artist. I'm not gonna draw any erotic stuff and nsfw kinks that may be unpleasant for me or people around.

☐ 🌸 🌸 🌸 I want a commission but haven't any idea 🌸 🌸 ☐

Let me help you! If you haven't any idea you can rely of my vision of your character. Those pieces gonna be done with my standard quality and their prices will be same as in price sheet.

PLEASE keep in mind that english is not my first language and I may have some troubles to understand your vision. I'm gonna do my best but PLEASE use simple language to provide comfort for me and you.

- You can give me any information about your character, so I can rely on it
- Or you can tell me any theme
- Payment after sketch approved
- If customer don't like an idea, I draw more sketches before we find better. If I out of ideas after research, I refuse the order. Please don't be mad at me. I'm sure we both want to give our best while working with each other. If you have to be unhappy and dissapointed with my work It's better to wait till you gonna have more clear idea or I'm gonna get better with stuff you didn't liked at sketch provided by me. I'm also a human and can do mistakes but I can fairly say I'm gonna give 100% of myself to provide you with fair and quality service.

❓🌸🌸🌸 PRICES AND ADDITIONAL SERVICES 🌸🌸🌸❓

You can find actual price list on my FurAffinity page. I may offer service called 'express commissions'. What does that mean? If I'm in the situation when I have a time and I'm not around any deadline I may agree to draw your commission In the time manner that you asking for. For sample.

FURX -Hey Layla I wish to order commission but It need to be finished within 3 days!

There Is 2 possible scenarios:

1st

-Hey FurX thank you for interest but I'm on the first day of my shift [you can put here whatever reason that may make me unable to take this order] and that means that I'm not able to complete your specific timing order because I'm at work for next 4 days. The best timing I can give to you is [xx.xx.xxxx]

2nd

-Hey FurX. Thank you for interest! The express time commission is available at the moment and I'm gonna be able to finish it within 3 days since sketch approval. Please be aware that specific express commission are more expensive than regular one. For sample if you're ordering little chibi that cost 5GBP it gonna cost you 10 GBP in total for the specific timing.

That means if I agree to take that specific commission within time manner it may cost up to 300% of original price. It depends on character and art complexity. Thank you for understanding!

Private Commission Fee

- This varies by commission, but expect a fee of 50% of the commission price for a private commission. A private commission takes away my rights, for example: I cannot use it as an example for further business, in art bundles or used as prints at conventions so the fee is there to replace that. If you require art to be removed later on, the fee will be on the higher end as I will then need to take time to remove it from all my online galleries.
- "Anonymous" commissions are different, the art is posted, with your name removed, and that is free to do!

❓❀🌸🌸What I do and don't draw🌸🌸❀📁

I'm A-OK with drawing:

- Babyfurs/Kids/Cubs
- Diapers/Adults in diapers or baby clothing
- Ferals, any species
- Pokesonas
- Gemsonas
- Tauris
- Ponies
- Pregnancy

Will not do at all:

- Adult/Suggestive material of cubs/kids/babyfurs
- I will not draw anything I deem hateful in nature towards any person/race/orientation/religion, etc.
- Wet/Dirty diapers
- Adult humans
- PORN
- Gore/Vore etc.
- Very complicated backgrounds

PLEASE BE AWARE THAT I'M TRADITIONAL ARTIST. THAT MEAN SOMETIMES I MAY HAVE TROUBLE WITH MAKE COLOR LOOKS LIKE ON YOUR REF SHEET. BEFORE IM GONNA WORK ON YOUR PIECE YOU WILL BE ASKED TO APPROVAL ON COLOR I WANT TO USE. PLEASE KEEP IN

MIND THAT COLORS MAY BE DIFFRENT ON THE FINAL PIECE AND ON SOME DEVICES. ALWAYS WHEN I'M FINISHING MY WORK I NEED TO FIX ALL THE SHADOWS AND COLORS WHICH'VE BEEN DESTROYED BY SCANNER. THAT MEANS FINAL PIECE AFTER TOUCH UPS WILL BE SLIGHTLY (OR MORE THAN LESS) DIFFRENT THAN THIS ONE ON PAPER.
