Teachers-How to login to aimswebPlus with Clever
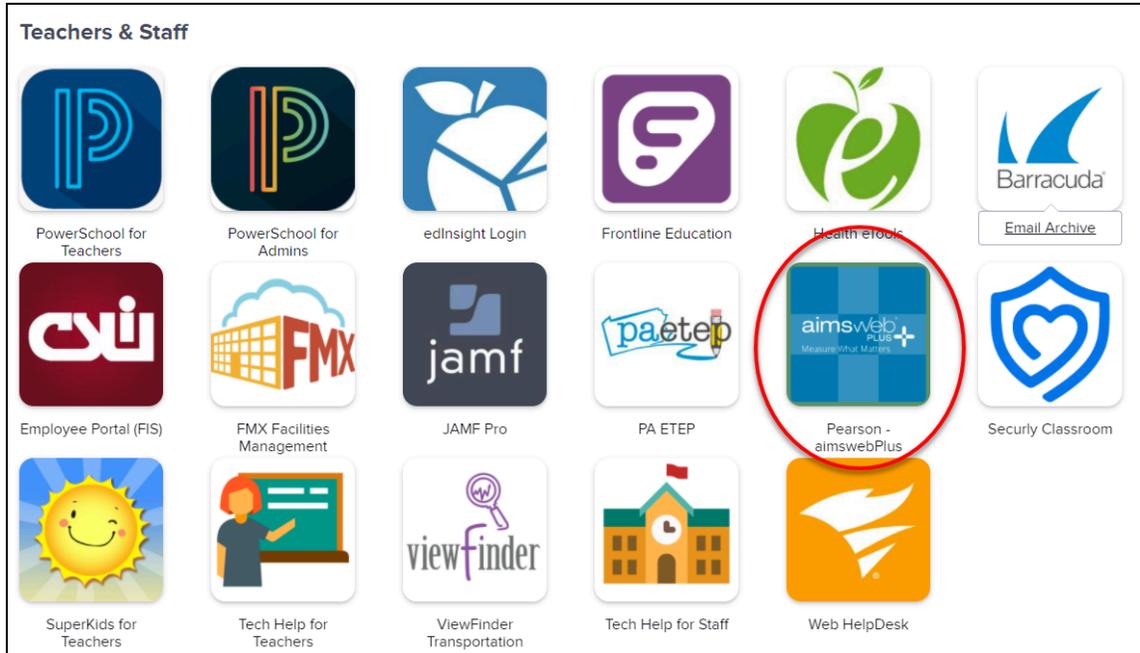

1.) Login to the Clever Portal. For help logging in, go to [How to login to Clever](#)

2.) Under the Teachers & Staff section, look for the **Pearson - aimswebPlus** icon, and click on it:

3.) If you are an authorized aimswebPlus user, you will be automatically logged in to the aimswebPlus and you will see your assigned classes and students. If you do not see a student in your classes, please open a case with the Technology HelpDesk. **Do not try to create or update any students manually. All students and rosters will be updated automatically from PowerSchool.**
