

# GEAR LIST

## ALASKA PACKRAFTING (Day Trip)

---

**THIS DOCUMENT LISTS ALL CLOTHING, EQUIPMENT AND GEAR REQUIRED OR RECOMMENDED FOR YOUR TRIP WITH KENAI BACKCOUNTRY ADVENTURES.**

Weather varies, and it can change rapidly in Alaska. While it may be warm and sunny when we depart, it could be cold, windy, and raining in the backcountry, or vice versa. As expedition leaders operating throughout Alaska we've seen just about everything Alaska and Mother Nature can throw at us. Our recommendations come from decades of experience and are made in an attempt to keep you warm, comfortable, and above all, safe. If you need to purchase gear while in Alaska we can recommend places to buy your gear. We are always happy to discuss gear needs with you, so feel free contact us with questions.

**Kenai Backcountry Adventures will supply the following gear & equipment for your trip:**

- ★ Medical kit and repair kit
- ★ Satellite phone, cellular phone, GPS, location tracker
- ★ Water filters and water purifying tablets

### **PACKRAFTING GEAR - PROVIDED**

- Packraft
- Paddle
- PFD
- River helmet
- Drysuit
- River boots
