

## 2024 CESA 7 Regional Spelling Bees

Four regional spelling bees are facilitated by CESA 7. These include the following:

- \*Green Bay/Kewaunee*
- \*Sheboygan (City of Sheboygan)*
- \*Sheboygan County (Out-of-City)*
- \*Manitowoc*

The regional spelling bees will be held January/February of 2024. Regional winners advance to the state spelling bee and the state spelling bee winner advances to the Scripps National Spelling Bee.

In order to participate in a CESA Regional Spelling Bee, each public, private, parochial, charter, virtual, and home school must enroll with the **Scripps** organization. Schools may enroll at [www.spellingbee.com](http://www.spellingbee.com)

**\*Enrollment Period: August 22, 2023, through December 31, 2023 (enrollment end date subject to change). The per-school enrollment fee is \$180 for schools that register before October 31, 2023, and \$199 for the remainder of the enrollment period.**

**AS PER SCRIPPS**, schools may pay the enrollment fee to SCRIPPS via credit card or check. If the pay-by-check option is selected during the enrollment process, the school may print a custom invoice. A \$7.50 check handling fee will apply.

**PLEASE NOTE: CESA 7 is informed of the schools that enroll with Scripps and will only send out necessary forms/information for participation in a regional spelling bee to those enrolled schools. Students that are in grades 3-8, from schools that have enrolled with Scripps, are eligible to compete (one student per enrolled school).**
