Your name: _____

There will be 3 Writer's Help "Checkpoints" throughout the course, at each of which, you will have to have completed 5 exercises so that you will have 15 exercises completed by the end of the semester. I will give you recommended exercises for each topic throughout the semester, but you are free to choose whichever exercises you want to try from Writer's Help Exercises Links.

2. To view a list of the exercises that you have completed, click on the Tags and Tools tab at the top of the right panel. Click on the "Scorecard" link and your exercise results will appear in a pop-up window.
