Camp Counselor Opportunity 1

From Spark 2023 Alumni Eliana Fitzhugh:

- We are currently hiring for **regular counselors and inclusion counselors**.
 - *Little note for pay: We updated the official listing online to have the proper hiring process listed but then we just got raises city wide. This means the links to the posting will have everything .75 an hour below the actual rate.*

This is the link to the **general counselor position listing**

https://www.marylandheights.com/job_detail_T44_R220.php

- General counselors will handle at most 10 kids day to day and will commonly have a co-counselor.
- We spend three days a week outside at Vago Park with our kids and two at Aquaport, the pool by the Maryland Heights community center.
- Counselors will be CPR and first aid trained through the city but are required to get drug tested after passing through the first interview.
- They will work between 30-40 in a week and must be available June-August or give notice at their interview that they will be on a trip a given week.
- The pay for this role is currently set at **\$14.50** an hour.

This is the link to the **inclusion counselor position**

https://www.marylandheights.com/job_detail_T44_R221.php

- This role will work individually with children that are on an IEP plan through their school district.
- We have a city inclusion coordinator that will take that IEP and put together a plan alongside the student's counselor in order to create resources and tools that will aid that student in participating in activities alongside fellow campers.
- The student and counselor will follow the same routine and schedule as the standard counselors going to the pool twice a week with their child.
- These counselors are also required to complete CPR, first aid and drug testing but no other certifications are required.
- The pay for this role is currently set at **\$16 an hour**.

Camp Counselor Opportunity 2

From Melanie Wilmert, Spark! 2016 Alumni and Current Parkway Teacher

Email: mwilmert1@parkwayschools.net

I am the Summer Camp Coordinator at Old Warson Country Club, and I need camp counselors!

I was hoping I could recruit maybe some T&L students or Alumni since I know they like to work with kids!

The camp is for kids ages 4-13.

The camp runs from May 29 - August 9 every Tuesday-Friday from 8:30am-2:30pm.

We are also pretty good about giving time off too, like if a counselor is going on a summer trip, but obviously they still need to be at work the majority of the time.

*Pay is approximately **\$15/hr.***

Camp Counselor Opportunity 3

From Daria Tsukhai, Current Spark Student, Junior Parkway South:

Ballwin Pointe Camp Counselor:

- Two shifts: 7:00 AM - 4:00 PM OR 9:00 AM - 6:00 PM
- Every Wednesday we go on a field trip
- Every Thursday we meet at the North Pointe Aquatic Center.

There are regular counselors and inclusion counselors.

Both are **\$12.50 an hour.**

It's super fun and the kids are all super amazing!
