

## Premier Studio for Dance Solos, Duets & Trios

We are very excited about our 2025-2026 season! We know that many of the dancers are excited about doing solos, duets, and trios this year. Here is the information regarding the financial commitment of doing these kinds of routines.

### Solo:

- Music/Choreography fees: \$475.00 will be charged the day of choreography.
- Monthly practice fee: \$160.00 will be charged on the 1st of every month August - May.
- Purchase Order: \$1,295.00

### Duet/Trio:

- Music/Choreography fees: \$475.00 will be charged the day of choreography. (Divided by # of dancers)
- Monthly practice fee: \$90.00 per dancer will be charged on the 1st of every month August - May.
- Purchase Order: \$820.00 per dancer

Performing a solo, duet/trio sometimes requires you to perform on a separate day than the team performances, which may require an overnight stay at the competition.

Our goal for solos and duet/trios is to improve as an overall dancer. This extra one on one time with the coach will improve skills, style, stage presence and confidence in the dancer. This is very important to express to your dancer. Coming in first is not the reason we promote these. It's for the overall growth of the dancer throughout the season.

Once a dancer has committed to doing one of these routines, there will be scheduled times over the summer in which you will meet with your coach for a choreography camp. These are usually blocked out for 2 hours a day. Your coach for the season will be determined based on schedules as well as the best fit for your dancer.

**\*\*Please note: the style, music, choreography and costume are all chosen by the coach.**

The \$475 music/choreography fee is charged on the day of the choreography camp. All PO fees are added to your team purchase order and split by your chosen payment plan.

**Dancers competing in the recreational category will be limited to one solo only.**

**\*\*MAKE UP POLICY\*\***

**Due to scheduling of our coaches and dancers, cancellations by a dancer can be made up 3 times. Coach cancellations will always be made up. If a dancer has reached 3 make ups and a coach is not available, you will forfeit that lesson or you may schedule with another coach if there is availability.**
