

Faculty of Nursing - Available Teaching Assignments (updated September 2026)

NURS 321 (Advanced Acute Care Nursing Practice I)

October 12 - December 31, 2026

Clinical teaching assignment: Wednesday/Thursday/Friday

FTE: 0.75

Clinical location: Edmonton and area hospital - medical or surgical unit

Course description: This acute care practicum builds on concepts and intentional clinical learning from NURS 221/SC INF 221 and NURS 225. The focus is on integrating prior learning to move towards providing comprehensive patient and family centered care and socialization to the role of the nurse in an acute care setting.

NURS 325 (Advanced Acute Care Nursing Practice II)

October 12 - December 31, 2026

Clinical teaching assignment: Monday/Tuesday/Wednesday/Thursday

FTE: 1.0

Clinical location: Edmonton and area hospital - medical or surgical unit

Course Description: The course provides opportunities for participants to integrate, consolidate, and expand concepts from previous learning to advance their professional nursing practice.

Participants have the opportunity to consolidate learning and advance their clinical decision-making in a variety of acute care settings

NURS 325 (Advanced Acute Care Nursing Practice II)

January 1 - April 30, 2027

Clinical teaching assignment: Monday/Tuesday/Wednesday/Thursday or
Wednesday/Thursday/Friday/Saturday

FTE: 1.0

Clinical location: Edmonton and area hospital - medical or surgical unit

Course Description: The course provides opportunities for participants to integrate, consolidate, and expand concepts from previous learning to advance their professional nursing practice.

Participants have the opportunity to consolidate learning and advance their clinical decision-making in a variety of acute care settings

NURS 225/345 (Introduction to Acute Care Nursing Practice)

January 1 - April 30, 2027

Clinical teaching assignment: Monday/Tuesday, Wednesday/Thursday, Friday/Saturday (rotating
Day and Evening shifts that may occur between 0630-2300 hours)

FTE: 0.5 FTE

Clinical location: Edmonton and area hospital - medical or surgical unit

Course description: This practicum in acute care settings further develops knowledge, skills, and abilities to provide safe ethical patient care for adults with episodic and chronic health challenges. The focus is on assessment, communication, professional practice, clinical reasoning, care planning, and documentation.
