League Wide Team Management Requirements:

League-wide adoption to SwimTopia was approved by BOD vote in October 2021. League fees will cover the cost of this system for all teams. Annual TSA fees are increasing slightly for 2024.

- All clubs had access to full SwimTopia accounts as of the 2022 season. If you have not yet logged on and set up your team's page, please contact SwimTopia for assistance.

- Please make sure all teams have detailed info about your club on your Swimtopia team page (e.g. pool location, light status, number of lanes, concessions, timing system, etc.)

- All teams must use SwimTopia for registration for all swimmers. This is how we will assess TSA dues this summer and in all future seasons.

- Tutorials and demos are available on the league website for topics such as: setting up your team site, registration pages, volunteer registration (template possible this summer just need some great examples), and how to set up meet entries, etc.

- Videos on how to set up your team's website can be found here: Webinar Video Guide - Topic-Focused Training
