Director of Curriculum & Instruction

May 14, 2021

Dear Families and Caregivers:

MSAD 11 is pleased to announce that it will be hosting a **Voluntary** Student COVID-19 Vaccination Clinic at the Gardiner Area High School and the Gardiner Regional Middle School on Tuesday, May 18. The reason for the short notice is because this opportunity was just made available to our District this morning. The details interested families need to know are:

- Savage's Drugs (from the Oakland, Fairfield area) will run these clinics for students ages 12 and older.
- For students attending school in-person, the Gardiner Regional Middle School Clinic will be held in the Gym from 9:00 - 11:00 am.
- For students attending school in-person, the Gardiner Area High School Clinic will be held in the Little Theater from 11:30 am - 2:00 pm.
- For remote students, students whose parents want to be with them when vaccinated, or unvaccinated staff, the clinic will be held at the Gardiner Area High School in the Little Theater from 2:00 - 4:00 pm.
- Students will receive the Pfizer vaccine.
- Students MUST have the Vaccine Consent Form signed by a parent or guardian in order to receive a vaccination. Download a copy of the form here: https://bit.ly/3hsf5JV
- For students who participate in the clinic on May 18, a second clinic will be offered on Tuesday, June 8, 2021 for those students to receive their second dose.

If you wish to have your child vaccinated, please pre-register using this link: https://bit.ly/2QgMGvi

We are happy to be able to host this clinic for those who are interested in having their children vaccinated. If you have any questions regarding these clinics, please contact the building nurse in your child(ren)'s school.

It looks to be a gorgeous weekend. I hope you all enjoy it.

Best wishes,

Patricia Hopkins
Superintendent of Schools
