While	he	was	swimming	a shark	ate him
While	he	was	listening to music	the phone	rang
While	we	were	driving to work	we	saw a fire
While	I	was	eating lunch	I	heard the news
While	you	were	sleeping	I	stole your money
While	they	were	watching TV	a lion	came into the house
While	she	was	walking	a dog	bit her
While	I	was	studying	it	started to rain
