

Animal Crossing New Horizons: Duplicate Fossils

To see your list of fossils that you've collected easily, go to your Terminal in your Town Hall/Resident Services Tent and go to Nook Shopping and go to the one that says "This catalog contains wallpaper, flooring, and more." and that'll list all your fossils.

This shall be updated daily as I get my daily four fossils

Each fossil will be 5,000 Bells each

I am willing to make trades though for other fossils

Anything with a ~~line~~ through is sadly not available.

Also, I am now gonna be only keeping a **MAX of 3** of each Fossil

FIRST COME, FIRST SERVED BASIS
