

**Family note:**

Welcome back from spring break. I hope everyone enjoyed the time off. This week begins the last quarter of your McNeil careers and it will go fast so enjoy it.

As we start to think of the end of the year one of the rights of passage as a McNeil Dragon is graduation and step up day. We will start working on our memory book pages as well as speeches in the next coming weeks, but we also need a cover page for the memory books. For those who are interested in turning in a drawing (8.5 x11) for our cover start working on your designs. As a class we will vote April 10th. Any submissions are due no later than Friday April 7th. The designs must include a title "McNeil Canyon Elementary School Class of 2023" and artists should sign their name on their work in the lower righthand corner. Designs can be either portrait or landscape style and you can submit more than one drawing.

To the parents: if you have any photos from field trips or past events at McNeil please send them in. You can email, put pictures on a CD, zip drive, or share using google drive. That way when the sixth graders make their memory book pages they will have a variety to choose from.

We are missing a few Home of the Brave books that were checked out before spring break. Please check at home for the missing books.

As a reminder report cards will go home this Friday. Please check your child's green folder at the end of the week.

**Dates to keep in mind**

**April 4 & 11:** spring testing for 6th grade                      due

**April 5:** Early release

**April 26:** Science Fair

**April 7:** Submissions for memory book cover

**Parent signature:** \_\_\_\_\_

**Date**\_\_\_\_\_
