

Sermon:

It Hurts To Know I'm Going To Lose Many

Scripture:

Luke 8:8

Story

Luke 8:8-18

'Seeing they may not see,  
And hearing they may not understand.'

You know God see's all and knows all.

Points to be made about christianity:

- The Holy Spirit went out to sow. Some didn't make it. Satan is waiting.
- Some was put in a position to fail as a seed. Was kept away from nutrients to growth. Satan is waiting.
- Some hung around an old field, and got overwhelm. Satan to see about this new life.
- Some made it to the source and produced a seed after its own kind. Amazing what a little fertilizer can do in Bible form.

Some of us has been given the Word of God. It all depends how we listen.

Satan will accuse us in a heart beat to God.

Zechariah 3:3-5

Questions:

- What ground are you standing on?
- What spiritual things are you using for growth?
- What do you do with the weeds of life?
- Do you pull them up, or let them grow?

Conclusion:

Take heed how you stand lest you fall.

1 Corinthians 10:12

Your eyes see what is real in the spiritual world. Its a big difference in how we live and how God wants us to live. Don't miss out on Eternity because you won't get rooted and grounded in Christ. Amen.

Acts 2:36-47 will help you get there. Be bless.
