{Unrestricted Rights PLR} Zapier Step By Step Over the Shoulder Videos

Here are 20 Step by Step Over the Shoulder Instructional Tutorial Videos from a Veteran Marketer.

Charles and Laurel have now created a Video Guide on the Cloud Based Connector Zapier.

It's Solid Instruction and he's giving you the videos with Unrestricted Rights.

Whether you want to teach this to your customer base or you want to get better at connecting two unconnecting platforms this content is made to help.

It's a good subject to sell AND it's a good one to educate online marketers.

And you won't have to lift a finger to do so. The Harpers have done all of the work.

So…you're getting over the Shoulder Instructional Tutorial Videos + all of the marketing materials you need to make it work.

To make sure your value is retained, he's making the graphics and sales pages personal business use.

That means you can sell these videos and content with unrestricted rights without the value ever being diluted.

As a bonus, he's throwing in 20 Additional Videos From his Zapier 1.0 course with resell rights.

Get it here.

{PLR} Help Your Customers Automate Everything

Marketing automation is all about getting the right platforms to connect.

But with so many people using so many different ones..it's hard to make sense of it.

Zapier does that for you.

Once your customer understands how this works AND that they can use a free account to do it, they'll have you to thank.

Plus….

You'll also see new apps on the platform for YOUR Business too.

Since the interface has changed, this is a good one for you to check out too. Charles and Laurel have made the videos streamable for you.

Naturally, you're getting everything you need to market the course:

Pages, graphics, handouts, Sales videos, Lead Magnets…everything.

Get this course today to get your customers in motion when it comes to automation.

{PLR} Unrestricted Videos on Zapier
How to get your business automated…

{Firstname}

I've been telling you about Charles and Laurel teaching your customer how to use the Zapier platform.

They're trying to show you and your customers how to get your customers to know the platform and how easy it is to get everything connected.

That kind of thinking doesn't come naturally to everybody.

But they've made it doable with a Step By Step Over the Shoulder Video course.

Look, here's what the video course covers in those 20 videos

0001 - What Is Zapier
0002 - Zapier Pricing
0003 - Zapier Settings
0004 - The Zapier Dashboard
0005 - Connect Apps to Zapier
0006 - Zap Trigger Event
0007 - Zap Action Event
0008 - Zapier - Multi Step Action
0009 - Zapier Filter Action Event
0010 - Zapier Delay Action Event
0011 - Creating a Transfer Action
0012 - Zapier Applications
0013 - Zapier Webhooks - Example One - Warrior Plus
0014 - Zapier RSS Application
0015 - Zapier By E-Mail Trigger Application
0016 - Zapier Schedule Application
0017 - Zapier E-Mail as Trigger and Action
0018 - Zapier Weather Trigger
0019 - WordPress Website Trigger
0020 - WordPress Website Action

Everything your customer needs to know by the time It's over…
