7

Use the options available in the pop-up window to select the desired options and select "**Export Assessment Data**."

The report will be exported to your **Secure File Center** in TIDE.

On the next pop-up, select "**Yes**" to export the report.

8

Selecting "**Yes**" will take you to the **Secure File Center**, where you will have access to the report you created.

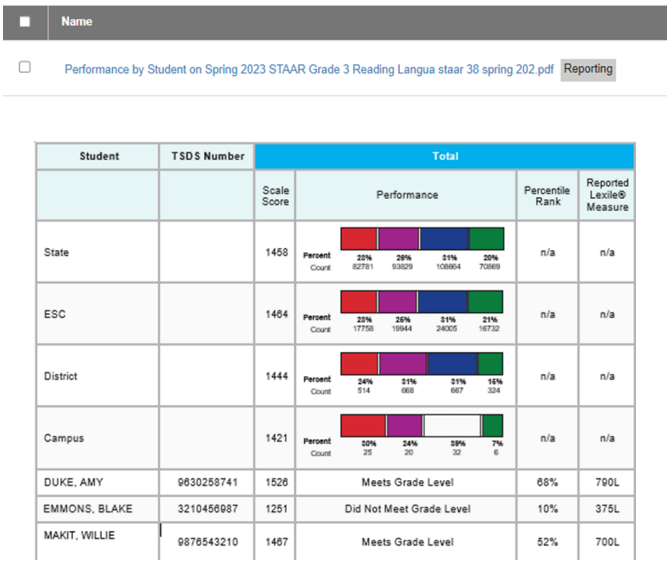

You may also access the **Secure File Center** by selecting the icon from the top of the screen

or select the **Secure File Center** card when you log in at texasassessment.gov

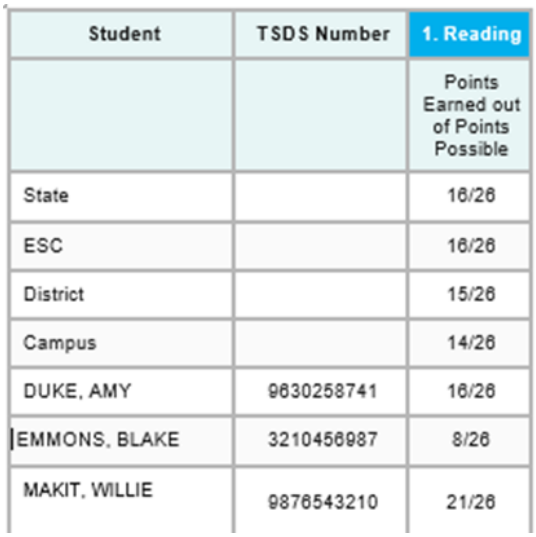

Selecting the name of the file you requested will provide the information you requested. It may require a few minutes for the report to be generated, or you may be required to exit and then re-enter the Secure File Center to access your report.

As selected, the report will show the Percentile Rank and Lexile Measure for each student.
