"News and comment of the El Toro Class"

June 2021

Issue #910

NASH FLASH

Gordie Nash

Even if we will need to go kicking and screaming we WILL get the El Toro class back races/going again!

Right now because of supply chain holes, Lake Merritt SC will be holding their June 27th Mayor's Cup Regatta on July 11th, Sunday. This is a reschedule, nothing more. These kinds of scheduling changes are not uncommon in the days of Covid 19. We are now transitioning from one reality to another.

I will be sailing my El Toro in Half Moon Bay on July 17th as a practice day and to learn about the area. Wind and water conditions will be first on my mind. I will not bring my powerboat this day but will have it in Half Moon Bay for the NA series starting July 30th.

Susan Burden has updated this newsletter and has built a [new El Toro website](https://www.eltoroyra.org). She has done quite a lot of work to make this look modern, and updated all the pages. The new site is live! Go to: <https://www.eltoroyra.org>

Now we just need to get out and sail El Toros on July 11, race Lake Merritt on July 17, practice Half Moon Bay, North American Series July 30 – August 1. We can do it!
