Dear Parents/Guardians,

As the date for the Dec. 12 bond vote quickly approaches, I would like to personally invite you to two bond referendum forums. By providing different formats and dates, the *entire* Mount Olive community can learn more about the referendum and hear from a panel of professionals about the plans and financial strategy.

**Please consider joining us for one or both events:**

- **In-person Forum** - Tuesday 11/28 at 7 p.m. in the MOHS Performing Arts Center
- **Virtual Forum** - Tuesday 12/5 at 7 p.m.
  - Zoom link available at [motsd.org/referendum](https://motsd.org/referendum).
  - A recording of the forum will be posted on the referendum website after the session for those who cannot join the live event.

Come ready with your questions for the district's administrators and staff members, bond attorney, financial adviser, and architects. We'll explain firsthand how the building projects included in the referendum would continue the district's tradition of excellence by enhancing health and safety in our buildings, adding instructional space and improving facilities.

In the meantime, we encourage you to watch a recently released video to see why these projects are being proposed and learn more key details about the Dec. 12 vote. The video can be viewed on the district's dedicated [bond referendum website](https://motsd.org/referendum).

I hope to see you at the forums – and please remember to make your voice heard and VOTE on Dec. 12!

Warm regards,  
Dr. Sumit Bangia  
Superintendent of Schools
