A. Holiday Shop Recap

- Thoughts for next year – put teacher sign up in an evite, add flex spots to volunteer on the evite sign up. How do we get kids to the register before wrapping station? DD cards did not go as well as anticipated.
- Had around 3800 items, around 300 left.
- a couple 5th graders came back to help shop with their buddies, would like to do that again next year. Works well if 5th graders shop early so they can return with buddies. Could we have kids do labels at home beforehand?
-Everything from wish list was purchased

B. January Paint Night

- Would like to do something with the bulldogs (40), do a paint night similar to rec paint night.
