Dear Carrie:

I would like to request Principal ID cards for the following assistant principals and athletic directors at my school (**assistant principals and assistant athletic and activity directors listed on the directory form only**). **We cannot supply cards for guidance counselors, interns, middle school personnel, etc.** State Event Passes for administrators other than assistant principals and assistant athletic and activity directors can be obtained for \$25 per card. The form to order these cards is on the VHSL website: www.vhsl.org under forms.
