

6013 每當我瞻仰你
When I Look Into Your Holiness

每當我瞻仰你至聖榮面
When I look into Your holiness
每當我在愛中仰望你
When I gaze into Your loveliness
在你榮耀光中
When all things that surround
所有一切都失去光彩
Become shadows in the light of You

何等喜樂當我進入你心意
When I've found the joy of reaching Your heart
我全心成為你愛的寶座
When my will becomes enthralled in Your love
在你榮耀光中
When all things that surround
所有一切都失去光彩
Become shadows in the light of You

『我敬拜你 我敬拜你
I worship You I worship You
我一生活著為要敬拜你』
The reason I live is to worship You
