

**Passmore Elementary  
Title I Parent Engagement Policy  
2022-2023**

**STATEMENT OF PURPOSE**

Passmore Elementary is dedicated to providing a quality education for every student in our school. To accomplish this objective, the school will develop and maintain partnerships with parents, caregivers, and community members. Through this united community effort, students become successful and productive citizens.

Parents and staff will work to design and implement the Parent Involvement Policy. Passmore Elementary will make the policy available upon request.

**Passmore Elementary Expectations for Parental Involvement**

**Title I District Parent Involvement Committee**

Parent representatives from Passmore Elementary are asked to attend Alvin Independent School District's three Parent Involvement District meetings a year. Parents review policy and guidelines and are updated on any current changes. Title I Campus Representatives meet jointly with the parents in May to discuss policy and evaluate the program. Meetings are held at the administration building at a convenient time. Notices of the meeting will be provided through invitation to parents and public notices.

Translators will be available at the meetings upon request. Representatives are encouraged to visit the school to gain information, actively volunteer, and attend meetings and events.

**School Parent-Compacts**

Teachers at Passmore Elementary are required to hold annual parent/teacher conferences to discuss students' progress and participate in the School-Parent Compacts which is required by federal law. The compact outlines parents, staff, and students' responsibility for sharing the promotion of high student achievement. Parents, students, and staff are required to sign an acknowledgement of receipt and parents are encouraged to discuss this with their students.

## **Parent Communication**

In accordance with the Every Student Succeeds Act, parents of limited English proficiency, parents with disabilities, and parents of migratory children are provided information and school reports in an understandable and uniform format in a language parents understand. This includes parent newsletters, brochures, forms, and documents pertaining to Title I components.

## **Distribution Policy**

The campus will notify parents of the policy in an understandable and uniform format and, to the extent practicable, in a language the parents can understand. The policy will be made available to the local community through the campus website under the Campus Parent Information Tab, the school's Social Media, and eNews. The Policy will be updated periodically to meet the changing needs of parents and the school.

## **Curriculum and Assessment**

Parents can access the curriculum in use at the school, the forms of academic assessment used to measure student progress, and the achievement levels of the state academic standards by visiting the Alvin ISD Curriculum page. Students will complete campus based assessments and state assessments including STAAR (grades 3-8) and/or EOC (End of Course, grades 9-12) Exams.
