

Grading, Synergy and Advisory

Here is a cheat sheet to set up/enter grades for your advisory for the 2019-2020 year. All advisories are on a "PASS/NC" and students are required to complete a self-assessment and evidence journaling, one artifact for storyfolio and their two conferences in order to pass.

To set up your gradebook:

1. Go to "GRADEBOOK SETUP"
2. Make sure your advisory class is set to "assignments"
