SKILLED NURSING HOMES

Skilled Nursing Homes are designed to provide 24-hour nursing care for those incapable of functioning independently due to a chronic illness, disabling injury or the need for short-term rehabilitation. Some facilities have specialized units for individuals who need memory care.

All nursing facilities in Larimer County accept Medicare for short-term rehabilitation following a hospitalization. Most accept Medicaid, which can cover long-term nursing facility care. Some accept PACE (Program for All-inclusive Care of the Elderly), which provides comprehensive medical and social services to frail individuals aged 55 and older. Visit hcpf.colorado.gov/pace for information about PACE.

For more information on choosing a skilled nursing home, or if you want to report a complaint or concern about residents' rights or facility services and standards, contact the local Ombudsman at (970) 498-7754.
