

**Tokens DMS issued by Demos on the Polygon blockchain are utility tokens designed for use within the Demos project's ecosystem.**

**Purchasing cryptocurrencies carries financial risks, including the potential loss of funds. Please be aware that cryptocurrency prices can experience significant fluctuations, and the cryptocurrency market can be highly volatile.**

**Acquiring tokens should be done after a thorough assessment of risks and only with funds you are prepared to lose. Demos company does not bear responsibility for any financial losses or unforeseen consequences associated with the use of tokens.**

**Before acquiring tokens, please carefully study their characteristics, consult cryptocurrency experts, and consider the cryptocurrency legislation in your country.**
