Class Topic: Creative Grids Large and Small 60-degree Diamond Rulers

Class Project: One Poinsettia Table Topper

Required: Bring a working Featherweight machine, a new sharp microtext size 12 or 14 machine needle, binding clips, basic sewing supplies: scissors, snips, pins, rotary cutter and mat, Creative Grids Large 60-degree Diamond ruler the small is optional but very helpful, ruler, thread, seam ripper, pen or marking pen/pencil/chalk, pins, ¼ inch foot or ¼ inch sewing options, Optional travel iron and pad (wool mat is recommended if using a travel iron), and featherweight oil.

Pattern Required: Krista Moser's **Crimson Christmas** pattern

Fabric required:

¼ yd each of two different light reds

¼ yd each of two different medium reds

1/3 yd each of two different dark reds

½ yd background fabric

1 yd backing fabric

1 yd batting

You can make your poinsettia in any color you choose. Substitute your color for the reds keeping in mind that the colors work from the center of the flower out. Lights are the center of the flower.

We will be cutting and sewing and starting to sew in Part One. Part 2 we will be sewing and discussing quilting ideas.

You can enter the "Finished Projects Drawing with each additional item you make. Bring them in! **It would be great to take pictures of our projects for the Quilting Bee Hive.**
