

Dear Sophomores and Parents/Guardians,

Class of 2025, the next few years will go by quickly but we will be here for you with anything you need. Make sure to reach out to us if you have any questions about scheduling, personal conflicts, extra-curricular activities, or just have something on your mind that you need to discuss. If you have any questions always feel free to reach out to me so we can discuss the needs of your student.

Like last year, we will be sending emails with important information. However, this year it will be bi-monthly instead of weekly. All new information will be at the top of the email and anything that is recurring will be in the latter part of the email.

There will be a Service Academy Information Day on October 2 at Seton Hall University. If you are interested in applying to one of the US Service Academies, please see this [flyer](#) for more information.
