IV. Discussion Items

a. **Discussion Item 1**: Strategic Plan Discussion- Strategic plan is the long term plan for the school. From that, the continuous improvement plan is devised.

- Reviewed different parts of current strategic plan- our district and our school mission & vision drives all things that we do
- Also contains our SMART goals, focusing on reading, math, and success of student subgroups
- The APS 5 drives the four "buckets" on the plan
- The GoTeam's big focus is the mission & vision and the school strategic priorities
- Our strategic priorities

b. **Discussion Item 2**: Continuous Improvement Plan discussion

- reviewed action steps as they pertain to our goals and discussed our progress on each action step as shared with the district during our recent quarterly check in

c. **Discussion Item 3:** Are our strategies and priorities aligned? Do we need to re-word this priority- "explore and address issues of bias, equity, expectations, and family engagement to ensure culturally responsive experiences" and include attendance, addressing chronic absenteeism, etc

discussed changing to "address issues of bias, attendance, equity, expectations, and family engagement to ensure culturally responsive experiences."

d. **Discussion Item 4:** Ranking strategic priorities

Reviewed last year's rankings

Principal Perot explained which types of funding/staffing are required for each of the priorities

Discussed opinions on a new ranking for next year - moving up “strengthening implementation of core instruction” was a common point made, as well as moving down exploring and addressing issues of bias, equity, and expectations”

V. Information Items

a. **Principal’s Report** - MAP testing is almost completed, we will have data to share at next meeting. Our attendance is dramatically improving- yay! Brag tags for last month will be distributed next week. Principal Perot will also review budget allocations at the next meeting, and we will have discussion about priorities. It’s possible she’ll have a proposed budget but usually she needs more time to work on that.
