Bullying Prevention Month: The month of October is National Bullying Prevention Month and an opportunity to promote kindness, acceptance, and inclusion. What you do today impacts someone's tomorrow. Always be kind to yourself and others, be more accepting of people's differences, and help to include those who are left out.

Spook-tacular Attendance Alert: Students with **fewer than 2 absences** by **October 28th** will earn a **spooky surprise treat!** Don't miss out—**come to school every day** and get ready for some frightfully fun rewards!

Promoting College Awareness: We want our students to be College & Career ready. To promote a college culture on our campus, wear your college T-shirts to school every **Thursday** (no jerseys please).
