

The Hitman's Hitman Pitch

Author: James "Dragon Master" Courneya

Genres: Hitman, Action, Sci-fi, Cyberpunk.

Page Count: #

Logline:

In a near future where money out weighs life, the job of a hitman has become commonplace. With a monetary and technological arms race ever increasing the lethality of these assassins, it became clear that if left unchecked these trained killers could topple society. That if any one of them went rogue there was no one who could reliably stop them. That's when it was devised, the **Hitman's Hitman**.
