Presentación por CSUSM estudiantes de enfermería (exámenes de presión y azúcar) / <i>Presentation by CSUSM Student Nurses (blood</i>	Yessenia welcomed nurses. Group 1 presented hypertension- what it is, symptoms, risk factors, health implications, early detection, prevention, and resources. Group 2- presentation on diabetes- what it is, symptoms, risk factors, health implications, early detection, prevention, and resources. Yesenia went over what is migrant education, how to qualify,

<i>pressure and sugar level screenings)</i>	and services. Introduced recruiter etc
Evaluación de Necesidades/ Needs Assessment	Yesenia went over the needs assessment and collected information for reports. Needs Assessment Results
INA/ILP Documentos/ <i>INA/ILP Documents & CAASPP Data</i>	Went over the Dashboard. Support students in areas of need. Went over data specific to Migrant education. Celebrated an increase in LA and pointed out the need to improve math.
Preguntas/ <i>Questions</i>	The parents pointed out that in-person meetings are better. - pay better attention, feel more pressure to attend, can get their questions answered, and not get distracted. Once a month is a good amount for meetings. Yesenia invited parents to attend Mano a Mano workshop. Parents said parents will make time to attend both. Shared pictures of the afterschool program. Yesenia passed out Needs Assessments and asked parents to fill them out and turn them in or return them to the schools where their children attend.
Cierre pm: 7:34pm <i>Adjourn</i>	Proxima Junta <i>Next Meeting</i> 1/9/2025
