

February 15 - February 18

Teacher(s): Wendy Wild Section: 2nd Grade

Teacher Contact Info:

Email: wwild@pvillecsd.org School Phone: 515-848-0566

Personal Phone: refer back to the welcome letter and business magnet or email and request

Office Hours: 3:00 - 4:00

Online Learning Opportunities

**Don't forget to do 15 minutes each day of iReady reading and math.

Students should work on their path no less than an hour a week. Time will be monitored.

**Remember to work on February Book It!

Days	Online Learning				
Monday	Social Studies: We will be focusing on local government. Main question: What is government and how does it help communities run?				
	☐ Take a few minutes to go back over our unit. Make sure your child knows the definition of the vocabulary words. ☐ Unit Test page 1 and page 2				
	 Phonics: Students will accurately read and spell single and multisyllabic words with the /oi/ vowel phoneme as in oink spellings of oi, and oy. ** materials: phonics kit 				

□ Video - It will be sent via email - usually at the end of the day □ follow the video and work on spelling words by stretching the spelling words, laying out phoneme (sound) tiles, and writing the corresponding graphemes (letters) under the phoneme tiles.! □ Spelling words from unit 16: enjoy, royal, boil, loyal, spoil, point, oily, soybean, boy, noisy(These will be assessed through dictation sentences at the end of each unit) □ Math: 100 Math problems - if you are taking an addition time test do the addition paper, if only taking subtraction then do that one. □ Addition □ Subtraction □ 100 day activity - □ 100 word scavenger hunt - graba read to self book or books and over the week find 100 words to fit in the categories in the hunt. Tuesday □ Math: Focus: Students will solve word problems involving dollar bills, quarters, dimes, nickels, and pennies using \$ and ¢ appropriately. □ materials - paper or whiteboard, and math tool kit □ Video 8:30-9:05 sent via email □ Assigment - workbook pages 243-246 □ iReady □ If minutes iReady math on their path □ will be keeping track of time on iReady - this is a needed component to our math lessons. □ Reading: Focus: Students will make predictions using clues and evidence in a passage and what they know. □ materials - have paper and pencil available but won't always be needed. □ Video - will be sent via email □ 15-20 minutes of reading from their choice of book □ iReady □ IS minutes iReady reading on their path		
Gollow the video and work on spelling words by stretching the spelling words, laying out phoneme (sound) tiles, and writing the corresponding graphemes (letters) under the phoneme tiles.		· ·
stretching the spelling words, laying out phoneme (sound) tiles, and writing the corresponding graphemes (letters) under the phoneme tiles.!
